HOTEL FACILITIES

Dining options include the all-day restaurant popular for their buffets and a fine dining fusion restaurant specialising in fresh seafood; for light snacks and cakes, drop by the coffee corner. If you need a workout, the fully-equipped fitness centre and large outdoor swimming pool are available. If it is rest and pampering you need, we recommend for you to get a massage at the spa, which will be well worth the treat.

Bustling Ho Chi Minh City reflects the true Vietnamese lifestyle at every corner; a special flavour only to be enjoyed here. Great food and some heritage sites, including the famous Ben Thanh Market, makes it worth the visit. New and exciting entertainment and dining spots have been popping up all around town.
